## President's Letter to Dix Lee' On residents

Dear Neighbor:

I hope everyone is having a wonderful year so far. I want to take a moment to thank you for your support in 2015 and review our 2016 goals and objectives for 2016. Our community theme for 2016 is **"GET INVOLVED"** and our overall Community Goal in 2016 is **Safety and Security**. **In order for us to achieve our 2016 goals, I am asking each resident to take an active role to "get involved" in our community. Let's review our specific goals for 2016 and announce the designated board member and/or team leads for each goal and objective.**

### Security and Safety

- Enhanced Block Captains initiative (Team Lead: Fred Watkins - Board Vice President)
- Enhanced Neighborhood Watch program (Team Lead: TBA)
- Enhanced Security cameras for Front Entrance (Team Lead: John Clark - resident)
- Enhanced Neighborhood Lighting Project (Team Lead – Virgil Jones – Board Secretary)
- Enhanced Police patrolling in neighborhood – Team Lead – Sheriff Babb's team lead, Captain Ethon Harper to work directly with Dix Lee On Community on this project

**You will be contacted by a board member at our next community meeting scheduled in April requesting your assistance on serving on a committee in support of our safety and security goals. At this meeting you will receive details from each of the team leads on the plans they are making and how you can get involved.**

**I also want to welcome all of our new neighbors. I look forward to greeting each of you personally and introducing you to the board and our community at large.**

Thanks and we'll see you at the April community meeting.
